

## 2003 Bob Clark Memorial Trophy

Walking race for two-person teams selected on the basis of predicted times.

The weather was fine and cool. Conditions a little soft and slippery under foot after recent rain.

Handicapper's comments: Because we only had some previous race results to base our handicapping times on, for some people we had to estimate times. Because of this while some teams were fairly matched others weren't. However, we now have a better idea of each person's average pace so will be able to match people more accurately for future handicap events. WELL DONE TO EVERYONE.....A GREAT EFFORT :-)
